The Honorable Board of Supervisors  
County of Los Angeles  
383 Kenneth Hahn Hall of Administration  
500 West Temple Street  
Los Angeles, California 90012

Dear Supervisors:

**APPROVAL TO AMEND THE ON-SITE DOCUMENT SCANNING SERVICES  
AGREEMENT  
(ALL SUPERVISORIAL DISTRICTS)  
(3 VOTES)**

**SUBJECT**

Approval to amend the Proposition A Agreement with Caban Resources, LLC to make on-site document scanning services available to all Department of Health Services medical facilities, extend the term, and increase the Maximum Agreement Sum.

**IT IS RECOMMENDED THAT THE BOARD:**

1. Make a finding pursuant to Los Angeles County Code Section 2.121.420 that on-site document scanning services (Scanning Services), as described herein, continue to be performed more economically by an independent contractor.
2. Instruct the Mayor to execute Amendment No. 7 to Agreement No. 77273 with Caban Resources, LLC (Caban), effective upon Board approval to: (i) extend the term of the Agreement for the period July 1, 2015 through June 30, 2016 with an option to further extend the Agreement for one year; and (ii) increase the Maximum Agreement Sum by \$2,231,685 for the period July 1, 2015 through June 30, 2016 for the provision of Scanning Services at Department of Health Services (DHS) medical facilities (Facilities).

**ADOPTED**

BOARD OF SUPERVISORS  
COUNTY OF LOS ANGELES

19 May 19, 2015

PATRICK O'GAWA  
ACTING EXECUTIVE OFFICER

3. Delegate authority to the Director of Health Services (Director), or his designee, to execute an amendment to the Agreement to: (1) extend the term for the additional one-year period, for a potential term through June 30, 2017 and (2) increase the Maximum Agreement Sum by no more than \$2,231,685 for the period July 1, 2016 through June 30, 2017 in conjunction with exercising the aforementioned delegated authority, subject to prior review and approval by County Counsel and notification to the Board and Chief Executive Office (CEO).
4. Delegate authority to the Director or his designee, to execute amendments to: (i) authorize additional as needed services; and (ii) to increase, as needed, the County's Maximum Agreement Sum going forward under the Agreement by an amount not to exceed ten percent of the annual agreement maximum of \$2,231,685 for each of the periods July 1, 2015 through June 30, 2016 and July 1, 2016 through June 30, 2017, if the delegated authority to further extend the Agreement is exercised.

#### **PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION**

Approval of the first recommendation is necessary to comply with Los Angeles County Code Section 2.121.420. Contracting under Proposition A (Prop A) requirements for the provision of Scanning Services has been determined to be cost-effective by the DHS and the Auditor-Controller (A-C). Attachment A provides the cost analysis.

Approval of the second recommendation will allow the Mayor to execute an amendment to the Agreement with Caban, Exhibit I, for performance of services associated with scanning of paper medical records into the DHS' electronic document management system, Quantim Electronic Data Management (Quantim). To facilitate a smooth implementation of the electronic medical records environment with the Online Real-Time Clinical Health Information Database (ORCHID), Facilities must digitize the paper medical records into Quantim, which will then be transferred into ORCHID during the implementation process. Once ORCHID has been implemented at a respective Facility, scanning of paper medical records will continue for approximately six months to a year to provide caregivers the patient's historical clinic information for continuity of care visits, as well as to reduce the number of paper records retained on-site at the respective Facility. Such records will be scanned directly into ORCHID. DHS anticipates full implementation of ORCHID by June 1, 2016. The extension of the Agreement is necessary due to a lack of sufficient DHS resources available to work on this medical records scanning project.

Approval of the third recommendation will allow the Director to exercise the option to extend the term of the Agreement for one additional year through June 30, 2017. In compliance with Los Angeles County Code Section 2.121.300, the Agreement contains an express delegation of this authority to the Director. Approval of this recommendation will also allow the Director to increase the Maximum Agreement Sum in conjunction with the extension of the term. This requested extension is to account for any unforeseen delays in ORCHID implementation and to allow for continued Scanning Services post-ORCHID implementation until such scanning volume is at a level that can be accomplished with DHS resources.

Approval of the fourth recommendation will allow the Director to address any unforeseen needs to increase the number of temporary staff Caban provides at Facilities, on condition that the cost does not exceed ten percent of the new annual agreement maximum. Approval of this recommendation will allow for these potential annual increases to the total Maximum Agreement Sum.

Approval of the recommended actions will allow for the continued provision of needed Scanning Services at DHS Facilities. The existing Agreement expires on June 30, 2015.

### **Implementation of Strategic Plan Goals**

The recommended actions support Goal 1, Operational Effectiveness/Fiscal Sustainability of the County's Strategic Plan.

### **FISCAL IMPACT/FINANCING**

The County's estimated cost for FY 2015-16 is \$2,231,685. This funding will sustain the provision of Scanning Services at Facilities based on the same hourly rates currently reflected in the Agreement through June 30, 2016.

The Department has prepared the cost analysis for the total cost of the Agreement from July 1, 2015 through June 30, 2016, for Scanning Services at its Facilities, in accordance with Auditor-Controller (A-C) guidelines and methodologies, and determined that the addition of these services is cost-effective. The Scanning Services Agreement under the Prop A exception to the civil service requirement to use County employees will save the County approximately \$1,281,034, a savings of 36.5 percent.

The A-C reviewed and approved the Department's cost analysis for the extension period amount of \$2,231,685 with the same hourly rates.

Funding is included in DHS Fiscal Year (FY) 2015-16 Recommended Budget and will be requested in future fiscal years as necessary.

### **FACTS AND PROVISIONS/LEGAL REQUIREMENTS**

Caban currently provides Scanning Services, which includes scanning medical record documents directly into Quantim and, for the Facilities where ORCHID has been implemented, directly into ORCHID.

The Agreement may be terminated for convenience by the County upon ten days' prior written notice.

The Agreement includes all Board of Supervisors' required provisions, including the most recent provision – Time Off for Voting.

County Counsel has reviewed and approved Exhibit I as to form.

It has been determined that the provision of services by the Contractor under this Amendment is subject to Prop A guidelines which include the Living Wage Program set forth in Los Angeles County Code Chapter 2.201. The Contractor is in compliance with the Living Wage Program requirements.

The continuation of this Agreement will not result in unauthorized disclosure of confidential information.

**CONTRACTING PROCESS**

On December 28, 2009, DHS issued a Request for Statements of Interest (RFSI) solicitation on the County's vendor website and notice of the availability was e-mailed to the Department's mailing list, in order to identify interest from private sector organizations willing and capable of providing Scanning Services at its Facilities. Caban was selected as a result of the process and the Board approved the subsequent Agreement that is being amended.

**IMPACT ON CURRENT SERVICES (OR PROJECTS)**

Prop A requires that departments assess any potential impact of the recommended Agreement. There is no risk exposure to the County. The continuation of this Agreement will not infringe on the role of the County in its relationship to its residents, and the County's ability to respond to emergencies will not be impaired. The Agreement will not result in reduced services, and there is no employee impact as a result of the continuation of this Agreement since services are currently being provided under a contract. In addition, the Department has determined that it has alternative resources available in the event of default.

Approval of the recommended Amendment will ensure DHS is able to continue the transition to electronic health records at its Facilities.

Respectfully submitted,

5.2.3 \$223,168 for the period July 1, 2015 – June 30, 2016.

To implement such a change a written amendment to the Agreement, which is formally executed by the parties, must be executed."

10. Agreement, Paragraph 5.0, Agreement Sum, Billing and Payment, subparagraph 5.7.5, is deleted in its entirety and replaced as follows:

"5.7.5 All invoices under this Agreement shall be submitted in two (2) copies to the respective County Facility expenditure management office. Addresses will be provided by the respective County Project Manager."

11. Agreement, Paragraph 6.0, Administration of Agreement –County, is deleted in its entirety and replaced as follows:

**"6.0 ADMINISTRATION OF AGREEMENT – COUNTY**

**COUNTY ADMINISTRATION**

The Director shall have the authority to administer this Agreement on behalf of the County. Director retains professional and administrative responsibility for the services rendered under this Agreement. A listing of all County Administration referenced in the following Sub-paragraphs are designated in Exhibit C-3. The County shall notify the Contractor in writing of any change in the names or addresses shown.

**6.1 County's Project Director**

Responsibilities of the County Project Director include:

- ensuring that the objectives of this Agreement are met; and
- providing direction to the Contractor in the areas relating to County policy, information requirements, and procedural requirements.

**6.2 County's Project Manager**

Responsibilities of the County Project Manager include:

- meeting with the Contractor's Project Manager on a regular basis; and
- inspecting any and all tasks, deliverables, goods, services, or other work provided by or on behalf of the Contractor.

The County Project Director and County Project Manager are not authorized to make any changes in any of the terms and conditions of this Agreement and are not authorized to further obligate County in any respect whatsoever."

12. Agreement is modified to add sub-paragraph 7.7, Medical Health Screening, as follows:

**"7.7 Medical Health Screening**

Contractor shall ensure that all of its staff providing services and/or entering a DHS Facility, under this Agreement at the time of participation hereunder, have undergone and successfully passed a current physical health examination, consistent with current DHS policy and Exhibit M,

Medical Health Screening. The cost of the Medical Health Screening shall be at the expense of the Contractor."

13. Agreement, sub-paragraph, 8.5, Compliance with Applicable Law, is deleted in its entirety and replaced as follows:

**"8.5 Compliance with Applicable Law**

8.5.1 In the performance of this Agreement, Contractor shall comply with all current and applicable Federal, State and local laws, rules, regulations, ordinances, directives, guidelines, policies and procedures, including, but not limited to standards of The Joint Commission, its National Patient Safety Goals, California Code of Regulations, Title 22, Division 5 regulations and all other applicable industry best practices standards. All provisions required thereby to be included in this Agreement are incorporated herein by reference.

8.5.2 Contractor shall indemnify, defend, and hold harmless County, its officers, employees, and agents, from and against any and all claims, demands, damages, liabilities, losses, administrative penalties and fines assessed, costs, and expenses, including, without limitation, defense costs and legal, accounting and other expert, consulting or professional fees, arising from, connected with, or related to any failure by Contractor, its officers, employees, agents, or subcontractors, to comply with any such laws, rules, regulations, ordinances, directives, guidelines, policies, or procedures, as determined by County in its sole judgment. Any legal defense pursuant to Contractor's indemnification obligations under this sub-paragraph 8.5 shall be conducted by Contractor and performed by counsel selected by Contractor and approved by County. Notwithstanding the preceding sentence, County shall have the right to participate in any such defense at its sole cost and expense, except that in the event Contractor fails to provide County with a full and adequate defense, as determined by County in its sole judgment, County shall be entitled to retain its own counsel, including, without limitation, County Counsel, and reimbursement from Contractor for all such costs and expenses incurred by County in doing so. Contractor shall not have the right to enter into any settlement, agree to any injunction or other equitable relief, or make any admission, in each case, on behalf of County without County's prior written approval."

14. Agreement, sub-paragraph 9.6, Rules and Regulations, is deleted in its entirety and replaced as follows:

## **"9.6 Rules and Regulations**

During the time that Contractor's agents, employees, or subcontractors are at a Facility, Contractor and such persons shall be subject to the rules and regulations of that Facility. Facility's Administrator shall furnish a copy of rules and regulations to Contractor pertaining to the Facility prior to the execution of this Agreement and, during the term of this Agreement, shall furnish Contractor with any changes thereto as from time to time may be adopted. It is the responsibility of Contractor to acquaint all persons who may provide services hereunder with such rules and regulations. Contractor agrees to immediately and permanently withdraw any of its employees or subcontractors from the provision of services hereunder upon receipt of written notice from the Director that: (1) such employee or subcontractor has violated such rules or regulations, or (2) such employee's or subcontractor's actions while on County premises, indicate that such employee or subcontractor's actions while on County premises, indicate that such employee or subcontractor may adversely affect the delivery of health care services to County patients. The Director must submit with such notice a written statement of the facts supporting any such alleged violation or action."

15. Agreement Exhibit A, Description of Services, is deleted and replaced in its entirety by Exhibit A-1, attached hereto and incorporated herein by reference. All references to Exhibit A in the Agreement shall hereafter be replaced by Exhibit A-1.

16. Agreement Exhibit C-2, County's Administration, is deleted and replaced in its entirety by Exhibit C-3, attached hereto and incorporated herein by reference. All references to Exhibit C-2 in the Agreement shall hereafter be replaced by Exhibit C-3.

17. Agreement is modified to add Exhibit M, Medical Health Screening, attached hereto and incorporated herein by reference.

18. Except for changes set forth hereinabove, Agreement shall not be changed in any respect by this Amendment.

**DESCRIPTION OF SERVICES**

**ON-SITE DOCUMENT SCANNING SERVICES**

**1.0 DEFINITIONS**

- 1.1 Affinity** – DHS's Healthcare Information System – Affinity Database.
- 1.2 Health Information Management (HIM)** – HIM is located in the six (6) main County Facilities, as well as their associated Health Centers and Outpatient Centers.
- 1.3 Medical Record (MR)** – A chronological written account of a patient's examination and treatment that relates to patient's medical history and complaints, the physician's physical findings, the results of diagnostic tests and procedures, and medications and therapeutic procedures for Emergency Department (ED), Outpatient (OP) and Inpatient (IP) care. The MR consist of patient centric forms including but not limited to, Facesheet, Medication Record, Anesthesia Emergency Room records, Discharge summary, Electrocardiogram (ECG or EKG), Health and Progress Notes (H&P), Laboratory, Physicians Orders, Operative Reports, Nursing notes, Progress Notes, Radiology, Consultation Report, Procedure report, OP Clinic Notes, Cardiac Catheterization (Cardiac Cath), Gastrointestinal Laboratory (GI Lab), Respiratory, Dietary, Physical Therapy (PT), Occupational Therapy (OT), Speech Therapy (ST), Social Service, Legal Documents, medical insurance and all other documents and information related to the patient's healthcare activities, and records received from other healthcare providers.

**1.4 Image** – A one-page, two-sided medical record document that has been scanned into the QuadraMed Quantim Application (Quantim) Electronic Document Management Module (EDMM) or into the On-line Real-Time Clinical Health Information Database (ORCHID), as applicable.

**1.5 On-line Real-Time Clinical Health Information Database (ORCHID)** –the successor system replacing Affinity and Quadramed Quantim Application (Quantim) Electronic Document Management Module (EDMM).

**1.6 Shift** – A “Shift” consists of a specific number of consecutive hours.

**1.7 QuadraMed Quantim Application (Quantim)** – DHS’ standard for HIM automation functions and electronic documents. Quantim’s HIM automated functions, other than electronic documentation, include:

- Records Management
- Release of Information
- Abstracting
- Chart Locator
- Coding and Compliance

Quantim has two modules related to electronic documentation:

1. Electronic Document Management Module (EDMM) for patient-centric documentation
2. File Manager for other business documentation (e.g., Contracts, Purchasing, Human Resources, Facility Division work orders, etc.)

## **2.0 SERVICES**

The County Department of Health Services requires the Contractor to perform On-site Document Scanning Services (Scanning Services) for each County Facility in accordance with the terms and conditions of the

Agreement and to the specifications outlined in this Description of Services.

## **2.1 Scanning Services**

### **2.1.1 County Facilities Utilizing Quantim**

Contractor shall provide staff to perform Scanning Services in a structured manner. The general procedures for performance of these services are described below.

1. Medical Record (MR) Prepping Procedure: 1) generate cover sheet; 2) ensure MR documents are organized in chart order; 3) ensure documents belong to the correct patient; 4) remove staples; 5) fix forms that are torn; 6) separate perforated forms; 6) mount documents that are smaller than a full sheet, on blank sheet of paper; 8) rubber band prepped Medical Record.
2. Scanning Procedure: 1) receive MR from prepping area; 2) Scan MR into QuadraMed EDMM; 3) after scanning rubber band MR.
3. Quality Assurance: 1) retrieve scanned MR from scanning area; 2) review scanned images to ensure all documents belong to the correct patient, are in the appropriate orientation (Portrait or Landscape) and legible; 3) delete unnecessary and/or blank images; 4) rescan documents when necessary.
4. Post Scanning tasks: 1) discard patient identification coversheet (shredded and recycled); 2) re-file documents in MR chart and/or place loose documents in designated sorting basket for filing; 3) file MR charts in chart room or place in file bin; 4) clean scanner daily per instructions provided in scanner maintenance kit.

2.1.2 County Facilities Utilizing ORCHID

Contractor shall provide staff to perform Scanning Services in a structured manner. The specific procedures will be communicated to Contractor by the County Project Manager prior to such County Facility's transition to ORCHID.

**2.2 Coverage**

2.2.1 Contractor shall provide staff coverage at location(s) identified by the County Project Manager.

2.2.2 Contractor shall prepare, in writing, staffing levels, staffs' daily work duties, and staffing schedules and submit to the County Project Manager.

2.2.3 Both parties to this Agreement acknowledge that Contractor's ability to staff the HIM Department at each County Facility is partially related to the scanning service volume. County agrees to promptly (within 24 hours) notify Contractor of any decision that will impact the service volume in any way.

**3.0 CONTRACTOR RESPONSIBILITIES**

**3.1 Maintenance of Standards**

3.1.2 County Project Manager, or designee, shall evaluate all services and tasks performed by Contractor at his/her County Facility. If, in the County Project Manager's sole discretion, a service or task is unsatisfactory performed, the County Project Manager shall provide Contractor with a written assessment of the deficiencies. Contractor shall, remedy the identified deficiencies, at no additional cost to County, within ten (10) working days of receipt of the County Project Manager's deficiency notification. This approval process shall be repeated until the County Project Manager deems all deficiencies have been remedied. County shall not

have any obligation to pay Contractor for deficient work performed under this Agreement unless and until Contractor remedies all identified deficiencies.

3.1.3 Contractor shall manage and track all project issues and their resolutions.

**3.3 Contractor Staff Requirements**

3.3.1 Contractor shall provide staff to perform on-site scanning services directly into QuadraMed Corporation's Quantim EDMM or ORCHID, as applicable.

3.3.2 Contractor shall assign a sufficient number of employees to perform the required work.

3.3.3 Contractor shall be required to perform background checks and medical health screenings on its employees as set forth respectively in sub-paragraph 7.5 – Background & Security Investigations and sub-paragraph 7.7- Medical Health Screening, of the Agreement.

**3.4 Contractor Project Manager**

3.4.1 Contractor shall designate a Project Manager who will be the principal point of contact with the County. Project Manager shall be available either on-site or by telephonic contact on a twenty-four (24) hour/seven (7) day per week basis. The appointment of the Project Manager shall be approved by the County Project Director, or designee.

3.4.2 Contractor shall provide a full-time Project Manager or designated alternate. County must have access to the Project Manager during all hours, 365 days per year. Contractor shall provide a telephone number where the Project Manager may be reached.

3.4.3 Project Manager/alternate shall have full authority to act for Contractor on all matters relating to the daily operation of the Contractor.

**4.0 COUNTY RESPONSIBILITIES**

- 4.1 County shall provide Contractor staff with initial orientation to applicable Department systems (e.g., Affinity, Quantim, ORCHID, and scanning workflow).
- 4.2 County shall establish appropriate systems access for Contractor staff.
- 4.3 Furnished Items - County shall provide office space, desk, telephone, computer and scanning equipment for contractor staff usage.

**5.0 PERSONNEL**

- 5.1 The intent of the parties is to communicate in good faith regarding problems involving Contractor-assigned personnel.
- 5.2 HIM Director, or designee, may refuse assignment of a Contractor staff or Contractor Project Manager who has previously been requested to be removed from the provision of services by any other County facility.
- 5.3 Contractor shall establish appropriate policies and procedures regarding initial and follow-up procedures for Contractor's personnel who experience an industrial accident (e.g., carpal tunnel syndrome) while working at County Facility. In the event one of Contractor's personnel experiences an industrial accident, such personnel may seek immediate medical care at the DHS facility at Contractor's expense, in the event that the facility bills for these services.

**6.0 PARKING SPACE**

Each DHS facility will specify if, Contractor's personnel shall be given access to County employee parking areas.

## Medical Health Screening

All potential Contractor personnel shall complete to the satisfaction of County a medical health screening to determine if the person meets the medical criteria and immunizations standards established for the prospective job classification/assignment before commencing services. The Contractor shall use the DHS Forms and medical health screening methodology provided in the Contractor package.

The medical health screening shall be performed by a physician or other licensed healthcare professional (PLHCP) authorized to perform such a physical screening, with such cost at the expense of the Contractor. If the Contractor chooses to have the DHS Employee Health Services (EHS) perform such assessments and screening and such services are available, the Contractor will be billed for the services regardless if the Contractor's staff passes or fails the screening. Contractor personnel shall present a letter on Contractor letterhead authorizing personnel to obtain the screening from DHS' EHS. DHS EHS will bill the Contractor for the cost and/or deduct the amount from funds owed.

Contractor personnel shall provide DHS EHS with documentation of health screenings and evidence of the absence of communicable diseases using the County's "Health Clearance Certification, E2" form. The Certification form must be completed by the prospective Contractor personnel and their health care provider, then by the Contractor attesting verification of completion of DHS forms.

The Contractor must provide DHS EHS with the source documents for review within four (4) hours of a request. Source documents pertaining to the pre-employment health evaluation, Tuberculosis, Respiratory Fit Testing, and other immunizations will be maintained by the Contractor. Failure to provide appropriate source documentation of health screenings/clearance will result in immediate release from assignment and there will be no further placement of Contractor's personnel until compliant.

DHS Facility Staff are required to ensure the Contractor personnel receives the appropriate documents; has submitted them to the facility EHS and has obtained health clearance prior to beginning the work assignment.

No person will be allowed to work at anytime inside a DHS medical facility without appropriate documentation of health screening. In those instances where persons have no demonstrated immunity, and have refused vaccination, a waiver to that effect must be obtained and on file. Lack of immunity to certain diseases will restrict assignment locations within the hospital.

All Contractor personnel who have potential exposure to respiratory hazards and/ or aerosol transmissible disease shall provide appropriate documentation of a respiratory fit test on the same make, model, style, and size of respirator that will be used in facility. If indicated, this requirement is mandatory annually.

### **Medical Health Screening**

Per County policy, Contractor personnel are required to comply with annual health screening. Unless provided for per contract, Contractor personnel shall have their PLHCP conduct the assessment in accordance with County policy and procedures. This documentation is the "Health Clearance Certification, E2". The workforce member will be provided with the necessary documentation for completion and submission to their PLHCP. The PLHCP will complete the documents and submit them to the Contractor, as appropriate, with the completed certification form.

Contractor personnel may be given a 30-day reminder to comply with annual health screening requirements. Contractor personnel who do not comply with annual or other health screening requirements will be given a letter indicating they have five (5) days to comply or face release from assignment. A copy of the "letter" will be provided to the Contractor personnel's supervisor for action. Failure to provide documentation of health screening/clearance will result in immediate release from assignment and no further placement until compliant.

Emergency services will be provided post-exposure to Contractor personnel who have potential exposure to occupational hazards within the allowable time frames, but will be billed to the Contractor, as appropriate. Contractor personnel who are exposed to occupational hazard or incur injury while performing their duties for the County will be reported on the OSHA Log 300/301, as required by state and federal regulation and guidelines.

In the event of an occupational needlestick injury or other exposure to Contractor personnel to blood and body fluids or airborne contaminants, medical care will be provided by the DHS EHS or Emergency Room, but will be billed to the Contractor, as appropriate. Contractor personnel may go to the facility DHS EHS or the designated department for initial care within the allowable treatment time frames. Cost of initial treatment will be billed to the Contractor, as appropriate. Subsequent follow-up treatment will be conducted through the appropriate agency's medical provider or the employee's personal physician. If Contractor chooses to have the DHS EHS provide subsequent follow-up care, the Contractor will be billed accordingly.
